

Dear Valued Partners and Friends,

As 2016 is slowly coming to an end we would like to inform you about the developments and success stories of BWSP Gobert & Partners.

This year was an eventful year for our law firm, not only on the field of work but in a technical regard as well, given that in April we moved to a new seat, to the 8th floor of the Uniqa Building, on 70-74. Róbert Károly krt.

Not only our premises got even more modern and appropriate for fulfilling our goals but we also increased in numbers! We are pleased to inform you that our office has welcomed on board another legal team member, a new partner! Dr. Katalin Módos has over 17 years of experience in the legal area. Having qualified as an Attorney in 1999, Katalin actively practiced her knowledge in various respected law firms. Prior to joining our team, Katalin was a private lawyer. She gained experience in corporate law, debt enforcement procedures, real estate management and e-lawsuits. She specialized her knowledge in liquidation and bankruptcy, she is currently studying specialization in family law at Eötvös Loránd University. Her expertise and knowledge in such significant legal areas will certainly add value to our services.

Apart from our new partner attorney, 5 new young colleagues joined our firm this year, who work hard to support the partners in dealing with the ever increasing international workload of the firm.

At the same time, in 2016 we not only experienced an increase in the number of our legal team but fortunately in the number of our clients as well. Among others, several new, internationally prestigious firms have chosen this year to trust BWSP Gobert & Partners with their legal support. Hereby, we would like to thank our partners for this trust, we will do everything in our power to provide the best possible legal service, as we always have.

Finally, 2016 was very rich in international legal awards, some of which we have already published earlier this year. We are proud to inform you that BWS Gobert & Partners received a total of 15 international awards for legal excellence. For this achievement we are very thankful to our partners as well, since without their feedback, this would not have been possible to reach.

As for next year, we have great plans as well. 2017 will be a special year for our law firm due to several reasons. We will not only celebrate our firm's 10th jubilee of being an independent law firm but also the 15th jubilee of its establishment. Furthermore, we are proud to celebrate 20 years of Gobert legal service in Hungary as well.

Before that however we would like to thank you for your cooperation with our firm and your interest in our programs throughout the whole year. In hope we can continue our successful partnership in the coming year, BWSP Gobert & Partners wishes you Joyous Holidays and a Happy & Successful New Year!
